

LAKE REGION SHOOTING SPORTS ASSN

WINTER AIR GUN POSTAL

The 2016-2017 air gun postal is drawing to a close. Attached are the final results from February and the preliminary results from March. The competition has been fierce as noted by the large number of ties that needed to be broken. As they say, it's not over until the last shot has been fired. The results speak for themselves.

We, again, have some stellar scores and upward class movement. Beginning in March Hannah Walsh will compete in Expert class with her air pistol and Molly Anderson will advance to Expert class with her air rifle. Congratulations, Ladies!

The top eight competitors in each discipline have been sent their FINALS targets. Air pistol finalists are Rich Butler, Brett Carlson, Steve Faught, Travis Jorgenson, Seth Perkins, Luke Simon, Garth Weber and Todd Zaun. Air rifle finalists are Katie Zaun, Rylie Shull, Maria Rosa-Nieves, Amanda Hintz, Brady Fried, Brett Christianson, Mari Butler and Brandon Alexander. Congratulations and Good Luck to the Top 16!

In our last report we mentioned our young postal competitors who earned invitations to the USA Shooting National Jr Olympics just completed in Colorado Springs, CO. **Congratulations to all of you!** Three of these young shooters brought home medals. Katie Zaun captured the J3 Gold Medals in both Women's Air Rifle and Women's Smallbore Rifle, in addition to breaking her own national record in J3 Women's Air Rifle Standing. Luke Simon snagged the J2 Gold Medal in Men's Sport Pistol and also shot in the Finals for Sport. Kayflin Haiby brought the J3 Silver Medal in Women's Sport Pistol home to Blackduck, MN. Congratulations!!!

The deadline for all targets, regular matches and Finals, is May 15. All targets fired and returned to us will be included in the Aggregate results and are eligible for awards. We plan to have the final results and awards distributed by the end of May. So, you still have two weeks to finish. But, you can finish sooner.

Happy Easter! Happy Spring! Happy Shooting!
